She also works for Jaime Gonzales and Laura Frankel at 9010 Sumner Grove, if you need another reference.
Lawn Care Jose Amaya Amaya Landscaping C: 240.277.5157	Commentary: He provides services for quite a few of our neighbors. He is very pleasant, extremely reliable and very affordable; he can provide a variety of services including grass cutting, fertilizing, planting, mulching and much more.
Scaffold Rental Capital Rentals (301) 881-8680 Rockville, MD	Commentary: This may seem like an odd resource for a community list, but trust me it has come in handy. Several of you have asked me how I changed the light fixture in my foyer. I rented the scaffold from Capital Rentals. For under \$200, you could rent the scaffold for one week, so sharing the scaffold may reduce the cost. If you coordinate the installation of the fixtures in your homes, the cost is minimal. I know that our neighbor, Tracy Lawrence, is extremely interested in changing his fixture ASAP. His email is 'tracy.a.lawrence@verizon.com'. If you are interested, shot him a note.
